Dear Families;

As we close the 2014-15 school year, we have a lot to celebrate! As the school year draws to a close, I want to thank all of you for your support this school year. Together we have ensured that Riverview is the best place for students to learn and grow. The Riverview community is a very special place and I feel fortunate to be a part of it.

Shortly, we will be saying goodbye to a few staff members, students and their families. Some are retiring, some are moving on to middle school and others are result of a district classroom move to another building. The staff members leaving Riverview include: Mrs. Megenity, Mrs. Neal, Mrs. Davison, Mrs. Rip, Mrs. Forster, Mrs. Apgar, Mrs. Ramsdell and Mrs. Minden. Saying goodbye to people who have made such a huge impact on the Riverview community is very hard. We always have such mixed emotions as we will miss them, but wish them the best of luck.

Since this is likely the last newsletter of the year, I sincerely hope the summer is relaxing and safe for you all. I know teachers are sharing ideas with kids and families for summer learning, like flashcards, special websites, cooking activities, keeping a journal, letter writing, reading, reading, reading…and much more. Kids that spend some time over the summer engaging in learning start off the new school year ready to learn. It really makes a huge difference! We recently learned that the book café has added stops Monday mornings at two Riverview locations; the Snohomish RV and Mobile Home Park (11:00 a.m.) and the Plantation Mobile Home Park (11:30). In addition we are placing “Little Free Libraries” in those locations to support students’ continued reading and learning this summer. Getting books in the hands of kids is a big push for us!

Don’t forget about the Kid’s Café’ at Snohomish High School, where your children, regardless of their age, can participate in the summer meal programs.

Next week will be filled with celebrations as we hold our sixth grade recognition, sixth vs. staff kickball game, and we come together at our end of year assembly, engage in our annual ‘Tug-O-War,’ and share memories in our slide show presentations. I want to thank all of you for your support this school year. The Riverview community is a very special place!

Please join us for our end of the year activities! In case I do not talk to you, have a great summer and we will see you in September!

Sincerely,
Tammy Jones
Principal

FIELD DAY HELP!
Field Day is planned for Thursday, June 11th. It has been a tradition that our 6th graders run the primary field day events for our K-3 students. They enjoy the experience and have done a great job in years past. We do, however, need volunteers to run our Intermediate Field day events. During the Intermediate field day we will have Records Day stations along with other fun events. We would like as many volunteers as possible.

If you would like to volunteer for intermediate field day on Thursday, June 11 from 10:00 to 12:00 please email Shannon.
